

Using Bibliographies As a Research Tool

Module 1.2

Graduate Nursing

When researching, it is a great idea to use the bibliographies or works cited located at the end of each book, essay, and article which you read to find other resources which may be of use to you. The following will be used as examples:

Book:

Parsons, R. D. (2007) . *Counseling Strategies that work: : evidence-based interventions for school counselors*. Boston: Pearson/Allyn and Bacon.

Journal Article:

Wiseman, M. C., & Moradi, B. (2010). Body image and eating disorder symptoms in sexual minority men: A test and extension of objectification theory. *Journal Of Counseling Psychology*, 57(2), 154-166. doi:10.1037/a0018937

To find books listed in a bibliography, use either Bulldog OneSearch or Catalog. Using the Catalog allows you to search by title, author, keywords, subject heading, ISBN, or Call Number.

Parsons, R. D. (2007) . *Counseling Strategies that work: : evidence-based interventions for school counselors*. Boston: Pearson/Allyn and Bacon.

The screenshot shows the library's website with a navigation bar containing links to Bulldog OneSearch, Catalog, Journal Titles, LibGuides, and Google Scholar. Below the navigation bar is a search box with the text 'Bulldog OneSearch' and a 'Search' button. A large green arrow points from the search box to the search results. The search results are displayed in a table format with the following information:

Author	Parsons, Richard D.		
Title	Counseling strategies that work! : evidence-based interventions for school counselors / Richard D. Parsons.		
Imprint	Boston : Pearson/Allyn and Bacon, c2007.		
LOCATION	CALL #	NOTE	STATUS
Main Collection	LB1027.5 .P3177 2007		AVAILABLE

To the right of the search results is a small image of the book cover for 'Counseling Strategies That Work!' by Richard D. Parsons. The cover features a group of people in a hallway.

To find journal, newspaper, or magazine articles, use the Journal Titles tab on the Quick Search box.

Wiseman, M. C., & Moradi, B. (2010). Body image and eating disorder symptoms in sexual minority men: A test and extension of objectification theory. *Journal Of Counseling Psychology*, 57(2), 154-166. doi:10.1037/a0018937

The screenshot shows a search interface with five tabs: Bulldog OneSearch, Catalog, Journal Titles, LibGuides, and Google Scholar. The 'Journal Titles' tab is highlighted in red. Below the tabs, the text 'Search by Journal Title' is displayed. There is a search input field and a 'Search' button. Below the input field, a red arrow points from the citation text above to the input field. Below the input field, the text '0-9 A B C D E F G H I J K L M N O P Q R S T U V W X Y Z' is displayed. Below this, the text 'Browse by Subject' is displayed.
